

Sweet Itch and Laminitis Season Is Coming.....

The
British
Horse
Society

Would you like to learn more about how to control these ailments and keep your horses happier this year?

Then why not join us on Thursday 27th April for an informative talk by Gemma Lamble from Fellowes Farm Equine Clinic – 7.15pm Refreshments for a 7.30pm Start.

Gemma will be talking to us about both sweet itch and laminitis - their causes, symptoms and treatments. She will also include a section on Cushings Disease and Equine Metabolic Syndrome (EMS).

Wood Green Animal Shelter, London Road, Godmanchester, Cambridgeshire, PE29 2NH.

Book Online via the BHS website; www.bhs.org.uk - £3 booked online, £5 on the door.
